

A fast, expert response
makes the difference.

Restoration Resources

Founded in 1988 as Popowski Brothers, Inc., PBI has become the region's number one resource to turn to when disaster occurs. Since our inception, we have completed projects of every magnitude, complexity and dollar value, helping to restore structures, electronics, contents, and critical business records for thousands of customers.

PBI is a group of companies, each with highly trained, experienced professionals utilizing state-of-the-art equipment:

PBI Disaster Restoration, LLC

- Reconstruction
- Structural drying
- Structure and contents cleaning

**PBI Environmental
Restoration, LLC**

- Mold remediation
- Biological and chemical remediation

**PBI Electronics and
Documents Restoration, LLC**

- Information, technology and industrial equipment restoration
- Document and media recovery

Simply put, we're ready.
